The Village of Ephraim is holding a HPC zoning ordinance working session. The purpose of this session is to discuss and work on the Historic District ordinance as written. Any recommended changes to zoning ordinances will be acted upon by the planning committee in a regularly scheduled meeting and then be forwarded on to the village board for consideration and public hearings if the proposed changes are to be implemented. The current topics within the Historic District Ordinance being discussed are:

- Materials and colors
- Fences
- Snow/Sand fences
- Roofing
- Solar Panels

Please join my meeting from your computer, tablet or smartphone.
